FOUNDATION CREATION

The Gerald T. Parks Memorial Foundation was created for two very special reasons. First, to honor the memory of a husband, father, grandfather, great grandfather, and a man who loved his country. He not only loved his country, he served his country for twenty one years and retired as Chief Petty Officer from the Navy. There was no one prouder to serve his country, when he retired from the Navy in 1970, he continued to support the military and had the utmost respect for all members of the armed forces. He instilled this love and respect in his children, and had two sons who proudly served in the armed forces, as well as two grandsons who proudly serve today. CPO Gerald T. Parks passed away on February 7, 2006 after a two year battle with Lung Cancer. He was a true hero to his family as he never one time complained or gave up. Secondly, the men and women of the United States Military are the best America has to offer. They deserve the best period! This includes the best healthcare possible. Our military has changed dramatically over the course of the past generation, they are in the midst of fighting a modern war and with that comes the need for modern healthcare facilities. Given these two compelling reasons, we have created the Gerald T. Parks Memorial Foundation in order to assist in the repair and development of military healthcare facilities.

ABOUT THE FOUNDATION

The Gerald T. Parks Memorial Foundation is an all volunteer Foundation. There are no salaries, there are no expenses other than the purchase of merchandise for re-sale. 100% of net proceeds are donated to assist in the repair and development of healthcare facilities to aid our heroes who are so deserving!

OUR GOAL FOR THIS EVENT

To continue raising funds for the Dorn VA Hospital until we reach the goal amount of **\$170,000!**

FUTURE GOALS

To raise funds for other VA and Military facilities to aid our military heroes! With an ultimate goal of building a rehabilitation facility for our wounded and sick military men and women of today and yesterday.
